

Lions Plan Charter Night

Local Organization To Hold Charter Meet Feb. 23

The newly formed Bryan Lions Club held their meeting Tuesday evening with 48 of the members in attendance. District Governor McCullough of the Defiance club and two Montpelier members attended the meeting as visitors.

It was decided at this meeting that the club sponsor will be changed from the Defiance Lions to the Montpelier and West Unity clubs, who will act as co-sponsors of the local organization. This move was brought about by the intensified interest these two clubs have shown for the Bryan group.

Lion McCullough gave a descriptive talk on the Lion Club as a whole for the benefit of the new members. It has been a policy of the local club to have an old time member of the organization give a talk on Lionism at each meeting to further acquaint the local members with the club.

Charter night for the Bryan Lions has been set for Wednesday, Feb. 23. This meeting will be held in the Masonic Temple and will start at 6:30 p. m. There are 64 paid up members in the club now and many other prospects that may sign up before charter night.

Charter night arrangements will be made by the committee made up of Don Zellers, chairman; Barney Paul, Dr. Glen Biddle and Leo Bastian. This committee will meet tomorrow afternoon to make final plans for the Lions Charter night.
