

Lions, Service Club Variety, Invade Public School Gym Monday Evening

Monday evening at the high school 116 Lions, their Lionesses and Rev and Mrs. Erwin Schulz did justice to a pre-Thanksgiving turkey at the Charter Night Banquet and Program of the Fort Recovery Lions Club.

The floor of the gymnasium was alive with Lions from eight different habitats. There were Lions on hand from Richwood, Ohio (94 miles away), Dunkirk, Ohio (82 miles away), VanWert, Celina—home of the sponsoring club, Lima, Coldwater, Portland and Geneva, Indiana.

Two entertainment features after the meal and before the program included two numbers by the Lions Quartet composed of Don Riffle, Clark Kolp, Bill Kolp and Dick Hildbold and the much looked forward to "horse-play" of four Tail Twisters. At many Lions Club meetings this is almost as much anticipated as the evening's program. Monday evening Dick Grunden of the Celina Club as Chief Tail Twister assisted by Neal Roebuck, Tail Twister of the sponsoring club, showed Paul Shannon and Robert Rammel the ins and outs of the profession.

Miss Iris Kolp, daughter of Lion Bill Kolp, acted as the club pianist. The members of the newly organized club express their thanks to the pianist, the Home

Ec department at the school, their instructor and the Band Boosters organization who prepared and served the banquet, to Rev. Schulz and to the guest Lions for their presence at the meeting. They are also appreciative to the Board of Education for the permission to make use of the gymnasium.
