

Toledo Southwyck Lions Club Fifth To Be Chartered In City

A new Lions Club has been chartered to serve the Southwyck area.

Henry Kemp is first president of the Toledo Southwyck Lions Club, which includes about 25 charter members. Other officers are Dennis F. Keller, first vice president; James Best, second vice president; Thomas Zraik, third vice president, and James Mohn, secretary-treasurer.

Dean Bailey, James Falzone, Rex Fiske, and Dale Courvoisier were elected charter directors.

The new club, the fifth in the city and one of more than a dozen in the area, meets the first and third Wednesday of each month at noon in Miller's Turnpike Restaurant, on Reynolds Road across from Southwyck Shopping Center.
