

## **New Lions Club for early risers**

■ A new Lions Club has been chartered in Sylvania, to be known as the Sylvania Sunrise Lions Club, because its meetings will be held at 7 a.m. on the

second and fourth Wednesdays of the month at the Maplowood Cafe.

The Sylvania organization was sponsored by the Maumoo Lions Club.

The group was active in delivering food boxes in December to the elderly in the Sylvania area.

Internationally, the primary service activity of the organization that claims 1.4 million men and women as members, is to rid the world of preventable and reversible blindness through a program called SightFirst.
