### How to get a nice red, white and blue feeling -and pocket a little green

Buy U. S. Savings Bonds, and you can be proud of yourself twice.

One, you do something good for your country. (And that can make you feel pretty good inside.) Uncle Sam makes good use of your Bond dollars to strengthen the cause of freedom.

Two, you do something good for yourself. You save some of your hard-earned cash, and put it to work earning more cash. (Come maturity time, you'll get back \$4 for every \$3-guaranteed!)

0

Why not get started soon and feel better fast.

#### Quick facts about Series E Savings Bonds

- You get 331/3 % more money at maturity (7 years, 9 months)
- You pay no state or local tax and can defer the federal tax until the Bonds are cashed
- · You can get your money when you need it
- · Your Bonds are replaced free if lost, destroyed or stolen
