KILL PIN-WORMS

(You may have had and still have it)

Fighting, nose-picking and a worm-eating habit are often tell-tale signs of Pin-Worms. Only Jayne's P-W Tablets can kill them. These tablets are safe for children and adults. They are the only medicine that kills Pin-Worms in the large intestine where they live and multiply. That's why Jayne's P-W Tablets are... and here's how they do it!

First — a scientific coating carries the tablets into the bowels before they dissolve. Then — Jayne's modern, medically-approved ingredients go right to work — killing Pin-Worms quickly and easily.

Don't take chances with this dangerous, highly contagious condition. At the first sign of Pin-Worms, ask your druggist for Jayne's P-W Tablets... the small, easy-to-take tablets perfected by famous Dr. J. Jayne & Son, specialists in worm remedies for over 100 years.
