

R'dale club established

MOUNT BLANCHARD — Riverdale High School has recently organized a LEO Club. The club is sponsored by the Forest Lions Club.

LEO Club members will join more than 128,000 young people around the world in the organization. The LEO Club's cornerstone is performing community services. The purpose of the club is to work on projects such as aid to the blind and supporting drug prevention. The LEO Club motto is "Leadership - Experience - Opportunity."

The LEO Club program operates at the club, district and multiple district levels. This creates many opportunities for LEO service. It also provides opportunities for developing leadership skills.

On Thursday evening members were inducted in the school auditorium. Their next meeting will be Jan. 22. Officers of the organization include president Brianna Miller, vice president Megan Clements, secretary Jennifer Taylor and treasurer Stacey Shull. The LEO Club adviser is John Hohn.
